This was well done—just made a few readability/typos edits. Attaching a clean final to go up.
Please note for David that there are a few yellow highlights that can be finalized in advance of the 14th pending some other progress on those items.

Thanks,
John

John,

Attached at the TPs drafted by Mindy that are due to IO Comms tomorrow. They cover NWPR implementation/MOA and 404g/Florida. They were requested for an upcoming RA call by Dave.

If you can, it would be good to look at these in advance if the meeting with IO Comms today.

Steph

Team WOTUS, has anyone reached out for talking points in this? Antonio, same question on 404 assumption. Please let me know. If nothing is in the works, I'd request that draft talking points be shared with Lauren by COB Thursday. If something is in the works, please advise.

Mary,

I would be very happy to provide an update on both topics. Janita can ensure my availability.

Congratulations on the MOA signing! A long road to reach this point. And please pass on my appreciation to Noah and team.

Thanks.

Hi Dave,

On today's RA call, there was significant interest in having you participate in an upcoming call to talk about implementation of the NWPR – and it also may be a good time to give an update on 404 Assumption consultation policy – if you are interested and available. We are thinking of our call on Friday, August 14. I've copied Janita and Doug's team to see if this works and help with scheduling, if so.

Just signed the 404 MOA with Noah today. It was a great feeling! We took some photos and will try to do some press...

Have a great weekend,
Mary
